Terms of Placement

The above account is placed with PIACS on a contingent collection fee basis. We shall promptly report all payments and return of merchandise for credit, which will be subject to fees as previously agreed upon.

We understand that the claim may not be withdrawn unless full fees thereon are paid to PIACS.

If 10-day Free Demand Service is requested, no fees will be charged on any payment or return of merchandise received by us within the 10-days of receipt of the claim by PIACS. PIACS will upon receipt of this claim send debtor a demand letter, but will not commence collection proceedings until the 11th day, unless we request waiver of the remaining Free Demand period. We agree that the claim may not be withdrawn, and any partial payment in the Free Demand will only reduce the amount to be collected.

PIACS will negotiate and remit upon clearance, less fees, all payments received by them.

PIACS may, in the absence of any specific instructions by us to the contrary, forward the account to an attorney of its choice for collection on contingent terms, exclusive of court costs. No suit will be instituted, nor any costs incurred relative thereto unless specifically authorized by us.
